1. Purpose and Scope

This policy governs OPD appointment booking, cancellation, no-show handling, report-review validity and refund processing.

2. Detailed Policy Clauses

- 2.1** OPD services operate Monday to Saturday, 08:00 AM–08:00 PM, subject to doctor schedules and appointment availability.
- 2.2** Appointments must be booked through the hospital's designated booking channel with accurate patient and contact information.
- 2.3** An appointment cancelled at least 2 hours before the scheduled slot is eligible for a 100% refund of the consultation booking amount, subject to payment verification.
- 2.4** Refunds are processed to the original payment method. Automated processing generally takes 3–5 business days after initiation; payment-provider posting times may vary.
- 2.5** Cancellations made less than 2 hours before the slot may be treated as non-refundable unless an exception is approved by the hospital.
- 2.6** A no-show is a failure to attend without timely cancellation and is ordinarily not eligible for a refund.
- 2.7** Rescheduling may be offered where appointment availability permits and does not automatically create a refund entitlement.
- 2.8** Free report review associated with an OPD consultation is valid for 7 days from the consultation date, subject to the treating doctor's scope and applicable service rules.
- 2.9** Refund eligibility may require verification of the original transaction and booking record.
- 2.10** Separately billed tests, procedures or products are governed by their applicable service-specific terms.

3. Step-by-Step Patient / Attendant Procedure

- Step 1.** Select the required OPD specialty/doctor and available slot.
- Step 2.** Provide patient details and complete payment using an available payment method.
- Step 3.** Cancel at least 2 hours before the slot to qualify for a full refund.
- Step 4.** Retain the booking/reference confirmation until consultation or refund completion.
- Step 5.** For free report review, contact the relevant OPD service within 7 days of consultation.

4. Escalation, Restrictions and Contact

- 4.1** For a refund issue, provide the appointment/reference number and original transaction details to OPD/Reception.
- 4.2** If a refund has been initiated but is not visible after 3–5 business days, contact Reception at +91 98765-AMAR-2 with the transaction reference.
- 4.3** Urgent medical concerns must not be managed through the refund process; use the 24/7 Emergency & Trauma service in Block B.

Document Control: This is an operational hospital policy. Applicable law, insurer terms, clinical judgment, or an individual patient-care plan may impose additional or stricter requirements.
