3. Step-by-Step Patient / Attendant Procedure

- Step 1.** Before a planned admission, contact the TPA/Insurance Desk and submit required documents at least 48 hours before admission where feasible.
- Step 2.** At admission, present the insurance ID/e-card or policy copy, identity document and doctor's recommendation/admission advice.

Step 3. For emergency admission, allow the hospital/attendant to initiate insurance intimation within 24 hours while emergency clinical care proceeds.

Step 4. Complete authorization and consent forms requested by the hospital, insurer or TPA.

Step 5. Review approved limits, exclusions, co-pay/deductible and patient-payable components.

Step 6. At discharge, complete final authorization and billing formalities and obtain relevant claim documentation where applicable.

4. Escalation, Restrictions and Contact

4.1 For delayed, denied or partial authorization, first contact the TPA/Insurance Desk on the Ground Floor, Block B.

4.2 Document disputes using the authorization/reference number and supporting medical or billing records.

4.3 The hospital may request self-payment for amounts not covered or authorized, subject to applicable billing rules.
